SUBJECT:

OPM Draft Bill "To amend title 5, U.S.C., to reform the Civil Service Retirement System, and for other purposes."

1. The Office of Management and Budget (OMB) has requested the Agency's views on the Office of Personnel Management's (OPM) draft bill to reform the Civil Service Retirement System by COB 30 March 1984. A copy of OPM's draft bill is attached for your review.

2. The OPM proposal would implement the changes for the Civil Service Retirement System proposed in the President's FY 1985 budget. These changes would include: (1) "High-Five-Year" average salary computation for Civil Service Annuities, (2) increased retirement contributions, (3) elimination of FY 1984 COLA and limited COLA thereafter, (4) elimination of survivor benefits for students between ages 18 and 22, and, (5) elimination of minimum annuity.

3. In the interest of expediency, I propose that we meet on Wednesday or Thursday to draft a response to the OPM draft bill. I would appreciate hearing from you at your earliest convenience to arrange this meeting.
